

## Natural Curriculum Cookie Policy

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.
- **Analytical or performance cookies.** These allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

You can change your browser settings to remove, block or withdraw your consent for cookies at any time. But in some cases this may impact on your ability to use our website. Browsers recognise different types of cookies and allow you to treat them differently.

We use Google Analytics on the site that uses cookies to collect this sort of information. Please click here for more information on Google's privacy policy, or to opt out of being tracked by Google Analytics on all sites please visit: <https://tools.google.com/dlpage/gaoptout>

## Other websites

Our web site contains links to other websites, most notably those operated by the BBC, some or all of which may set cookies on your computer when you use the facility. These are outside our control and are not covered by this Cookie Policy.

We do not accept any responsibility or liability for the privacy practices of such third party websites and your use of such websites is at your own risk.
