Write a descriptive sentence that follows on from the one below.

The surfer stood at the edge of the mighty Zambezi River, his surfboard gleaming under the African sun.

Did You Know?

The Zambezi River creates one of the world's most dangerous waves! Known as the Zambezi wave, it's formed by the river's fast-moving currents. Professional surfers, like Mikey February, take on this monstrous wave, but it's a risky challenge because of the powerful currents and lurking crocodiles.

Where in the world is the Zambezi River? Click the

Number Challenge

Fact: The Zambezi River is 2,574 km long.

How many ways can you partition 2,574 into 3 parts?

Example:

$$2,500 + 70 + 4$$

Critical Thinking

What questions would you like to ask Mikey February about surfing the Zambezi?
