Rewrite the sentence below, adding precise adjectives before each noun.

Rockpools are full of ____ treasures such as ____ fish, ____ anemones, ____ crabs and ____ shells.

Did You Know?

Rockpooling is a wonderful way to appreciate nature and discover a variety of sea creatures. However, you must handle rocks carefully, as some animals are attached to them and can be harmed if disturbed. Patience and curiosity are key. If you wait quietly, creatures will slowly reveal themselves. By being respectful, you will help protect a rockpool community for everyone to enjoy.
