Write a sentence about the eyes of a Hanuman langur monkey that includes a metaphor.

Example: The monkey's eyes were dark windows, opening onto a world of uncertainty.

Help: A metaphor compares two unrelated things by stating one is the other.

Did You Know?

In the city of Jodhpur, Hanuman langurs leap across rooftops in daring chases. Living so close to humans, these mischievous monkeys sometimes create chaos, but they also form special bonds. One remarkable man, Omji, has earned their trust by feeding them fruit and caring for them daily. This unusual relationship shows how animals and humans can communicate and connect, even in a noisy city environment.
