**Copy the sentence below, adding another comma to change its meaning.**

"Let's eat Mother," said the ravenous blacktip shark.

**Challenge:** Continue the conversation with Mother's reply.

## Did You Know?

Blacktip sharks are masters of teamwork. They will work together, with great timing and precision, to herd a shoal of fish into a giant bait ball. This makes it easier for the sharks to feast. Bait balls aren't just attacked from below; diving sea birds often seize the opportunity to attack from above.
