behind	between	beneath
beside	among	above

Write a descriptive sentence about jackfruit that includes a preposition from the list above.

Example: Hidden **among** the dense leaves, the jackfruit grew larger with each passing day.

Did You Know?

Jackfruit grow in tropical countries like Sri Lanka. It is the largest fruit on Earth! Animals, such as monkeys, love eating it and help disperse its seeds. Humans also appreciate jackfruit, using it in curries and desserts. It's packed with nutrients like vitamin A, calcium and fibre, making it an excellent food choice. Jackfruit trees are a vital part of Sri Lankan farming and community life.
