Construct a descriptive sentence that includes the following words and phrases:

Portuguese Man o’ War	paralysed
unsuspecting fish	deadly tentacles

Did You Know?

The Portuguese Man o’ War is a powerful ocean predator that catches prey with its long, stinging tentacles. Although it looks like a jellyfish, it is actually a group of specialised organisms working together. Its tentacles, which can grow up to 50 metres long, are covered in venomous stingers that paralyze fish and small sea creatures on contact.
